Thanked Marci for her kind word's regarding Dr. Oleson, it meant a lot to her to hear them. 18-20 exchange students from Israel were here and are leaving today. They stayed with our students and spoke to other local area schools. At one of the schools the discussion got very heated but the Israeli students stood their ground, it was quite impressive. The High School sports teams are doing well. We have 18 students on the golf team. We have a professional baseball coach and are looking to hire a new History teacher. We will be starting a committee for how we issue awards. Getting ready for Senior Legacy week which is when we have speakers and topics covered before the kids graduate. Would also like to outfit the MPR with Speakers which would cost approx \$5,000

*US Dean of Students - Keren Wolf:*

The parent/teen drug education night is for 11th and 12th graders. Faculty has chosen 12th graders for ESLR awards, to be presented at the Senior Brunch and Awards on May

25th at 9:00 A.M. The 11th graders will have a public speaking seminar the week of May 23rd.
