

TVT Senior Earns Perfect SAT Score

Tarbut V'Torah senior Micca Hecht recently registered a perfect score on the SAT test, totaling a combined 2,400 points in three different sections.

Hecht, from Irvine, becomes the first student in school history to record the feat.

Nationally, only 102 students this year recorded a perfect score out of more than 1,000,000 students who annually take the college entrance exam.

As of January, 2008 TVT's class of 2008 average SAT scores was 1,842, well above the national average.
